This was helpful to me before I dug in for the meeting preparations...

Another write-up of mine that I did earlier. Not in any way trying to influence your opinions or ideas, but thought it might be useful as you trudge thru all the info and identify your own questions or issues. Please don't share.

FYI - Am leaving around 2 today to go to Boston for Halloween and grandson's b-day. Be back Tues. am, but will have my PC with me.
